

**Client Statement of Mileage Verification**

**Tax Year:** \_\_\_\_\_

I am providing the following mileage information to D'Angelo & Associates, APC for the purposes of preparation of my income tax return. I maintain a mileage log, which can account for the mileage specified below for business mileage deductions.

I recognize that if I do not have a mileage log, and I am audited by a tax authority, these deductions may be disqualified, and I may owe back taxes plus penalties and interest.
